Select one piece of art from each of the following civilizations:

Classical Greece

Hellenistic Greece

Etruscan civilization

Roman Republic

Roman Empire

Write a 700- to 1,050-word essay analyzing the pieces of art selected. Answer the following questions:

What kind of artwork is it?

What does the artwork express or reveal?

What is the relationship between the art and the culture of the related civilization?

How did that genre of art influence the culture of that civilization?

How did the culture influence that genre of art?

Cite any references according to APA standards.
